

BCA Bucks

Receive \$500 bucks off your tuition for every new student you bring to BCA.

We've said it time and time again because it is true - **our families are our best marketing tool** and for that you should be rewarded. This program is a win/win - we get likeminded students to love on and you get a discount on tuition.

More details:

- * The new family will be given an opportunity to share with the Admissions department how they heard about our school. This is where they will share your name.
- * If that K5 – 8th grade student(s) enrolls, you get \$500 credited to your last tuition payment. AND, the family you referred also gets a \$500 credit.
- * The current family's accounts must remain current throughout the year.
- * New enrolled students must be enrolled for the entire year to receive tuition credit.
- * Applies to K5 – 8th grade students.
