Tap-Ballet

Our "Tap-Ballet" class is the perfect combination class for Tap and Ballet. The class is divided with 25 minutes of tap and 25 minutes of ballet. Since ballet is the basis for all dance technique, the combinations of both work hand in hand. The technical training is taught through ballet, which in turn helps teach the proper shifting of weight and patterns in movement for tap. Since children naturally respond to music and movement, all the activities are executed to fun music. **A celebration and performance (Mini Recital) will be held at Bridgeway Christian Academy on December 8, 2017 free of charge.** The dress code is as follows: pink leotard (skirt is optional), pink ballet tights, pink leather ballet shoes and black tap shoes; boys-white t-shirt, black shorts, white socks, black leather ballet shoes and black tap shoes. *Please put your child's name on all dance attire.*
