

Bridgeway Christian Academy

Third Grade Curriculum Guide

Bible (Deep Roots)

We are looking forward to exploring God's Word through our Bible curriculum. Our Bible curriculum is published by Deep Roots. Deep Roots is dedicated to equipping students with a biblical worldview by helping them realize the truth of God's design for human beings. Studying worldview in conjunction with apologetics, students can grow more confident in Christ. They will be able to care for other people by answering their objections to Christianity and offering them reasons that support the truth.

What will students study?

- Creation/The Fall
- Sodom & Gomorrah
- Birth, Sacrifice of Isaac
- The Life of Saul
- Daniel in the Lion's Den
- Birth of Christ: The Messiah Comes
