The technical training is taught through ballet, which in turn helps teach the proper shifting of weight and patterns in movement for tap. Since children naturally respond to music and movement, all the activities are executed to fun music. The dress code is as follows: pink leotard (skirt is optional), pink ballet tights, pink leather ballet shoes and black tap shoes; _boys-white t-shirt, black shorts, white socks, black leather ballet shoes and black tap shoes. *Please* put your child’s name on all dance attire.
